I'm very excited to bring you a collection of candles using my very own favourite aromas. I have specially selected these candles made from soy wax to ensure they are long lasting and environmentally friendly. They even remove after cooking aromas!

The 5 fragrances are Lavender & Honey, Lemon Verbena, Orange Blossom, Rose Water and Sweet Pea. I love the variety of the 5 different items in the collection ranging from night lights, lidded jars, filled tumblers, square tins and to the 4 Pot Gift Set (my personal favourite!!)

I hope my candles bring warmth to your home!

Rachel x

Grapefruit and Mandarin - A mix of zesty grapefruit and sundrenched mandarins. A crisp and fresh scent.

White Tea - Effervescent citrus top notes softened by a modern heart of white tea and jasmine brushed with warming ginger accents. A soothing and comforting scent.

Lotus Flower - A fresh hyacinth top note, leading to a soft floral heart with gardenia, lily of the valley and rose on a base of smooth sandalwood, cedar and musk. A delicate bouquet of scents.
